About This Game

Be prepared for intense horror.

Lucifer's Nine Trophies aims to achieve a very innovative and fun horror for the purpose of you and up to three friends to play locally or online.

- Look around one of many maps in order in order to find all of Lucifer's trophies.
- Play with up to three friends for intense fun and horror.
- Get chased down by Lucifer while looking for his trophies.
- Gather everything in the level in order to beat Lucifer; the trophy of Limbo, Lust, Gluttony, Greed, Wrath, Heresy, Violence, Fraud and Treachery.
- Try and complete every single achievement and brag to your friends!
- The game supports controllers, which means you have the ability to sit back and relax whilst playing with your friends.

Planned features

- A wide new variety of maps.
- Numerous different gamemodes to immerse yourself in.
- Better networking system and compatibility with Steam Peer 2 Peer.
- Official servers for the purpose of randoms to play with each other.
